

ABOUT VACUPAC

The Virginia Credit Union Political Action Committee (VACUPAC) is the state-level, non-partisan PAC of the Virginia Credit Union League and its affiliated credit unions.

VACUPAC funds are distributed to political candidates in the Virginia General Assembly or to other state-level elected officials who are supportive of credit unions.

VACUPAC also works with the Credit Union National Association's (CUNA) PAC, the Credit Union Legislative Action Council (CULAC), to support members of the U.S. Senate, U.S. House of Representatives and various congressional leadership funds.

YOUR CONTRIBUTIONS HELP
support candidates who
champion credit unions

A POLITICAL ACTION COMMITTEE (PAC)

is used by trade associations, membership organizations, and other groups to allow individuals to pool their contributions to make a more-significant impact in support of political candidates than would otherwise be possible on their own.

WHY IS VACUPAC SO IMPORTANT?

VACUPAC funds are distributed to political candidates who champion credit unions and who help us get things done!

Contributing to VACUPAC is not only a contribution in support of credit unions' advocacy, it's an investment in your credit union and in your career.

YOUR INVOLVEMENT MATTERS

Elected officials pay attention to their constituents, the people who can vote for them. That's why, in addition to contributing to VACUPAC, it's also important to be involved in other forms of credit union advocacy, including:

- Participating in Credit Union Day at the Virginia General Assembly
- Building relationships with your state and federal lawmakers
- Volunteering your time by serving on political campaigns
- TAKING ACTION when we need you to contact elected officials on behalf of credit unions

VACUPAC FUNDS SUPPORT CREDIT UNION-FRIENDLY POLITICAL CANDIDATES

Laws and regulations govern our credit unions and how we serve our members. We need lawmakers who are willing to champion credit unions and are willing to support our mission!

VACUPAC contributions support lawmakers who:

- Support pro-credit union legislation by voting for or introducing credit union bills.
- Serve on key committees that review legislation that affects credit unions.
- Advocate for a fair, flexible regulatory environment for credit unions.
- Work to defeat measures that would harm credit unions.
